Particulars of educational and welfare provision for boys with statements and boys for whom English is an additional language:

- Caldicott does not have any boys with statements.

Educational provision for boys for whom English is an additional language:

- When boys for whom English is not their first language arrive at Caldicott they are assessed by our resident EAL teacher. They are then timetabled for individual EAL lessons. The number of lessons depends on the individual boy's needs.
- Boys are taught on a 'rolling' timetable ensuring that they do not miss the same academic lesson too often. Any work missed is done in a catch-up session, supervised by TRN, and these are held daily.
- Details of boys receiving EAL lessons can be found on the Staff Portal and are updated regularly.
- The list is made available to the house parents and matron to ensure that the boarding staff are aware and so that the boy's needs are catered for as far as his welfare is concerned.
