

NAME TAPES, SHOE AND EQUIPMENT LABELLING

NAME TAPES

Please note that Caldicott requires two sizes of sew-in woven name tapes:

8mm (Cash's style 2, 7 or 9) <https://cashsnametapes.co.uk/products/8mm-woven-nametapes>

and 25mm (Cash's style 16) <https://cashsnametapes.co.uk/products/25mm-large-woven-name-tapes-1-line>

Both sizes can be ordered online direct from Cash's website (www.cashsnametapes.co.uk). We strongly recommend that labels should be ordered in advance as they can take up to two weeks to be delivered during the summer.

The lettering on both sizes of labels should be blue on a white background.

The small labels should show first name and surname or initials and surname.

The large labels should show first initial and surname only.

All labelling instructions can be found on the school website under Admissions then Uniform:
